Dear Mr. Norfleet:

This letter is in response to your requests for additional information, dated August 6, 2010 and August 11, 2010.

1. Your letter of August 6, referencing the Amended February Report, indicates that the Committee neglected to file a 48 hour notice of independent expenditure. Due to a miscommunication with the vendors, the Committee did not receive the information in a timely manner and inadvertently missed this filing. However, the Committee did disclose these on its regular monthly filing and has continued to file all 24 and 48 hour notices of independent expenditure accurately and on time. The Committee continuously reviews its procedures to ensure that all future filings continue to be accurate and timely.
2. Your letter of August 10, referencing the Amended May Monthly report, indicates that the Committee filed a 48 hour notice for Marlin Stutzman but did not file the same independent expenditure on the appropriate report. The May Monthly was amended on 8/20/10 to accurately disclose this independent expenditure. However, the vendor was actually Omni Print and not Allegiance Direct. The direct mail vendor changed the payee after the 48 hour notice was filed but prior to issuing the actual payment.

Sincerely,
Lisa Lisker
